

## SÖLL

On behalf of our parish community, we warmly welcome you, the pilgrims, to our Church **Hl. Petrus u. Paulus**. You have already walked a part of the St. Jakob way through the east of Tyrol. Spend a little time in **SÖLL**.

In the village you will find everything, you might need for food on your way. Grocery stores, bakeries with cafes, banks, inns.

Our **Pilgrim accommodation St. Jakob** is unfortunately not available this **summer 2023**.

At the moment a refugee family has a home there.

### Worth seeing in Söll:

On the square in front of the parish centre there is a walk-in labyrinth, the centre is laid out with a scallop shell.

30 minutes from the centre, at the beginning of the mountain „Hohe Salve“, the „**Stampfanger Pilgrimage Church**“ stands on a rock. You should really visit this special place.

Very close by, the cable car takes you to the Söller „Hexenwasser“, a fabulous and very well-known park all about water.

God's blessings on your  
Further pilgrimage!  
**BUEN CAMINO!**
